

Getting Divorced? Need a place to live? No decision will have as big of an impact on your emotional recovery than how and where you choose to live. Its been years since you lived on your own. The times have changed, and so have you! What suited the younger you just wont do this time. Where and how you live will greatly influence how quickly you recover from your divorce and get your mojo back! This book is the ultimate Step-By-Step guide to Finding, Furnishing and Keeping-Up the very place where the New You will be created! We all know men who have, and continue to suffer for years after their divorce. We also know men who became brighter, happier individuals after their relationship came to an end. What is the defining difference which results in either suffering or joy? A major aspect is found in how we, as divorced men, live. In this book we first get real with ourselves and take a personal inventory. We then take a look at person who we want to be, and think about how wed have to live in order to become that person. What rules should we set for our new self? We look at our responsibilities as well as our wants in order to design our future living space, before we even begin to look! After we find our new home, we go in great depth to furnish and outfit our space so that its not just a storage facility, but a creative and uplifting place. Then we formulate an easy and fool-proof plan to keep it all neat and clean. Youll surprise your friends, your family and yourself with your keen ability to live well and to avoid the chaos which follows so many divorces. This book is a Must-Read for any man who is going through a divorce and is looking for a new place to live. Dont go out there unarmed or unprepared.
