

So whatâ€™s the difference between competence and certification? And, if there is a difference, why should it matter? In this white paper I examine these issues and then try to help you answer two questions you might ask yourself: 1) â€œInstead of jumping through some artificial hoops erected by one or another certifying organization, why shouldnâ€™t I simply bestow upon myself my own, unique PM certification based on my experiences and my track record?â€• 2) â€œHow can I easily construct a â€˜do-it-yourselfâ€™ PM certification so that it is a completely credible, detailed, accurate, and defensible representation of all the PM skills I possess?â€•
