

A native Georgian born and raised, Early Clover was inspired by music at a very early age. By the time he reached the age of 7, he just KNEW that he wanted to be a singer and entertainer. Between the two counties of Laurens and Johnson in rural Georgia, Clover made choices that created new and unique opportunities for himself. These opportunities, which had been unavailable just a few years before, led him on a long musical journey from Georgia to New York City, and finally to Las Vegas, Nevada! He became a parent and a husband along the way, and now resides in Las Vegas full time. Early is still crooning the hit songs, and is often found performing throughout the U.S. and abroad. As a songwriter, Early developed skills which led to this recent publication of his first biographical work.
