

Thomas More, Philip Sidney, Walter Raleigh, Edmund Spenser, Francis Bacon and William Shakespeare were chosen to represent the atmosphere of the whole sixteenth century in England. Each of these men influenced the following generation and this opus describes accurately an epoch of intellectual uprising which accompanied the ascendancy of the British Empire. Based on his great knowledge of the epoch Sidney Lee, editor of the Dictionary of National Biography and several English classics, gives a profound view of six great men of the English Renaissance and their impact on British history.
