

This dynamic CD-ROM includes the full text from Griffiths 5-Minute Clinical Consult, 2001 and gives you rapid, fingertip access to the details you need to diagnose and treat a problem. The CD-ROM also includes direct links to Web sites covering specific diseases...a photo atlas of 500 color illustrations...plus a newly added bonus: a set of 210 patient education sheets from The 5-Minute Patient Advisor that you can print and use as handouts. The software allows you to scroll an alphabetical list of more than 1,000 medical/surgical conditions and click for complete information. You can search the way you want, by key word, topic, or phrase...move easily between screens without losing your place...and print relevant text to attach directly to a patient's chart. Windows Compatible This CD-ROM can be purchased separately, or together with the printed text in a money-saving package.
