

Penny Rose had been alone her entire life, until she became pregnant with her only child. Soon, things changed in ways no one could have ever imagined. When Penny discovers that she will not live to see her son grow up, she must reach out to a world full of strangers to find the right person to raise him. At times heartbreaking, at times startling, and at times magical, Pennys journey is one of self discovery, love and acceptance, and speaks to a world where joy and loss, death and beauty are always with us, together, in all things.
