

Depuis la mort de leurs parents, Sarah et Elsa sont la propriété de l'Etat. Chaque jour, la pression monte un peu plus à l'idée que le prochain acheteur ne vienne pour elles. Quand finalement leur tour arrive de quitter l'orphelinat, elles se voient mises au service de la famille Tupler. Entre le caractère odieux de Yannick et la considération que leur porte Liam, Sarah ne sait trop que penser. Le monde des fils Tupler reste bien différent de celui qu'elles ont connu depuis leur enfance. Pourtant Sarah se surprend à oser envisager un semblant d'espoir dans l'attitude de Liam. Pousées par un événement inattendu, elles ont d'autres choix que de fuir. C'est alors qu'au milieu de cet Etat corrompu où les libertés sont bafouées, un nouvel espoir surgit : celui de rejoindre les Omega, un groupe mystérieux aux aspirations plus qu'utopiques... Rejoignez Omega, la trilogie sur notre page Facebook ou notre blog afin d'être au courant des dernières nouvelles mais aussi pour avoir l'occasion de communiquer avec les auteurs et les autres lecteurs.
<https://www.facebook.com/omegalatrilogie/> <http://omegalatrilogie.jimdo.com/> La sortie du tome deux est prévue pour le 2016, surtout ne ratez pas ça !
