

Learn simple and clear ways to discover and work with energetic cords. Cords are our energetic attachments to people whom we have interacted with. We need cords to feel connected, form emotional bonds, and to develop empathy for our fellow human beings. But we are likely walking around with hundreds if not thousands of cords to the people that we have met throughout our lifetimes. Many of these cords from past relationships can simply be cleared. Others to current or more complex relationships may need more intermediate tools to be worked with. We can also work with cords that are a natural part of our energetic blueprint and that connect us to our greater spiritual nature. Learn how to discover and work with cords to past lives, ancestors, and your future. Gain deep spiritual insight from cords that connect us to our destiny, astral, etheric, and mental bodies, and to the cosmos itself. Each section will teach you how to find cording mechanisms, what they are for, and how to utilize them to heal or to gain spiritual insight.
