

The Confessions of St. Augustine, a passionate, deeply honest autobiographical account of Augustines journey toward faith, has been a source of spiritual guidance and intellectual nourishment for millions of people through the centuries. While Augustine is regarded as one of Christianitys greatest theologians, the enduring and universal appeal of the Confessions is undoubtedly in Augustines humanity--in his fervent examinations of his own struggles, conflicts, and temptations, and in his intensely personal quest for God. This modern edition of the Confessions will offer a profound source of spiritual enlightenment to todays reader.
