

The definitive account of how a small Ozarks company upended the world of business and what that change means. Wal-Mart, the world's largest company, roared out of the rural South to change the way business is done. Deploying computer-age technology, Reagan-era politics, and Protestant evangelism, Sam Walton's firm became a byword for cheap goods and low-paid workers, famed for the ruthless efficiency of its global network of stores and factories. But the revolution has gone further: Sam's proteges have created a new economic order which puts thousands of manufacturers, indeed whole regions, in thrall to a retail royalty. Like the Pennsylvania Railroad and General Motors in their heyday, Wal-Mart sets the commercial model for a huge swath of the global economy. In this lively, probing investigation, historian Nelson Lichtenstein deepens and expands our knowledge of the merchandising giant. He shows that Wal-Mart's rise was closely linked to the cultural and religious values of Bible Belt America as well as to the imperial politics, deregulatory economics, and laissez-faire globalization of Ronald Reagan and his heirs. He explains how the company's success has transformed American politics, and he anticipates a day of reckoning, when challenges to the Wal-Mart way, at home and abroad, are likely to change the far-flung empire. Insightful, original, and steeped in the culture of retail life, *The Retail Revolution* draws on first hand reporting from coastal China to rural Arkansas to give a fresh and necessary understanding of the phenomenon that has transformed international commerce.

Battle Lines: Seeing Gods Hand Today, General and Oral Pathology for the Dental Hygienist + Foundations of Periodontics for the Dental Hygienist, 4th Edition, The Savvy Citizens Guide to Surviving the End of the World If All Youve Got Left is Your Kindle, Nook, iPad, Sony Reader, or other Way-Cool Reading Device (The Savvy Citizens Guides), World Film Locations: Reykjavik, Microsoft Word 2010 Quick Reference (Cheat Sheet), Urban Society (9th ed (Annual Editions)), Holland, Virginia quadrangle, USGS 7.5 minute topo map, Elementary Quantum Chemistry, Second Edition (Dover Books on Chemistry), Pilates Workout (02) by Robinson, Lynne - Convy, Gerry [Paperback (2001)],
