Published: (); Foreign policy and international law, By: Fenwick, Charles G. (Charles Ghequiere), Published: Wardship in international law.

Wardship is the name given to court proceedings by which a child is made a ward of court. This means that the High Court can be vested with supreme legal guardianship of a child to ensure their safety and protection. Additionally, the child cannot be removed from England and Wales without the permission of the court. Buy Wardship In International Law by Charles Ghequiere Fenwick, United States.
